What Do You Know About the Longbow? Not much! Well, ask a 7th or 8th grader who will be happy to tell you. Do you know who Roger Williams was? Probably, or maybe you forgot. Ask a 5th or 6th grader who will tell you what Williams did! Alas, do you know the capital of Virginia? If not you better find a 3rd or 4th grader and ask them! Talk to your child, what are they learning everyday in history or geography!

Cherub Choir (K-3) – Plan ahead! They will be singing for Divine Service on March 11.

See You There! The Goods and Service Auction is this coming Sunday, Feb. 26. If you cannot make the lunch, you are still welcome to attend the auction for only \$5. Thank you for supporting Peace Lutheran Academy.

Witch’s Accessories Needed & Other Medieval Stuff! If you are dropping off any items for the Medieval Feast please bring them to the academy kitchen before Matins on Wednesday, Feb 29. Thank you!

A Little Latin...A Little History. Highlights of the reign of each king.

According to the senators, King Romulus ascended to the heavens in 715 BC. He mostly likely was killed by the Senate and his body was disposed of secretly. To keep this mythical ascension alive, Romulus was deified as the god Quirinus. A temple was built in his honor on the newly named Quirinal Hill, the former site of the Sabine settlement. And thus ends the reign (753-715 BC) of the first king of Rome.
