Stanford Testing - begins this Monday. These tests will evaluate how your child is doing academically across the board. Results will be machine scored and sent home with the fourth quarter report cards. In order for your child to do his best we are requesting that you pay extra attention to your child’s amount of sleep and providing a substantial breakfast. Also, because we will be testing in the afternoons as well as mornings we would request that you send an afternoon snack in addition to the morning snack. It would also be helpful to have any doctor or dentist appointments scheduled after school or after next week. As always should you have any questions please contact me. Mrs. Hughes
