Spring Has Sprung? As the snow slowly melts away and gives way to spring so students’ study habits often give way to summer ones at this time of year. Please help us reinforce good study habits at school and at home. Check to see that your young scholar is doing careful quality work on their homework. Keep your regular routines. If your young scholar should have very little homework then work on their math facts, practice their letters and sounds, practice their reading, ask them to perform for you the history timeline, have them sing the Shurley grammar jingles, review their Latin vocabulary, and finally don’t forget to read to them.

Additional Choir Rehearsals: Cherub and Academy Choirs will rehearse with the Friday Choir on the following two dates this spring; **March 22** (to prepare for Holy Week) and **May 3** (for the spring concert) from 4:15-5:30pm. Cherubs and Academy will rehearse together until approximately 4:45pm when the Cherubs will be dismissed. Academy stays until 5:30pm. Please add these dates to your calendars! Thank you!

Violin Lessons Anyone? We have the potential for a violin teacher to come to Peace and teach lessons after school one day a week. We would need a minimum of three students in order to make it happen. Please let me know as soon as possible if you would be interested! I would be happy to answer any questions you might have. Mrs. May

Lenten Services - Midweek services are every Wednesday at 2:30 and 6:45. Lent is a penitential season in which the Lord prepares us to celebrate His victory over our sin, death, and the power of Satan. Each week’s midweek sermon will focus on a chief part of the Catechism next week:

March 13: Confession and the Office of the Keys

Cyberspace and Christianity – the Blessings and the Curses: March 10, 5:00 to 6:30. The internet affords many opportunities and dangers for Christians and the Church. This study will explore the blessings and curses associated with the cyberspace age in which we live.

A Little Latin...A Little More Politics:

494 BC was the first time the plebs used their power of abandonment. It forced the patricians to give into the plebs's interests. The act of secession was born, a persuasive political tool. Plebs gained a council to manage their affairs, political representation and eventually veto power.
