**TO EVERYONE AN ANSWER:**

**The Role of Apologetics in Catechesis and Evangelism**

On Sunday, March 15, at our 5:30 Soup and Chili Supper, International scholar and lecturer, Dr. Angus Menuge, Professor of Philosophy, Concordia University Wisconsin, discusses apologetics and its task in catechesis and evangelism, including how Christians may equip themselves to defend the faith. Apologetics involves the use of historical and scientific evidence to defend the claims and assertions of the Scriptures and the Christian faith against attacks from skeptics and an unbelieving world. Join us for this important study and bring a friend. There is a sign-up sheet near the kitchen for those desiring to bring soup or chili for the evening.
