This year's "To Everyone an Answer Series" will focus on contemporary challenges to the Christian faith and the Church's witness in the public square. Each of this year's studies will feature a brief Bible Study that is related to a specific contemporary issue facing the church from our culture. The study will be followed by a panel discussion on the topic with Lutheran pastors, theologians, and other guests from the South Wisconsin District of the Lutheran Church – Missouri Synod. Come and learn how to faithfully bear witness to your faith in the public square. Invite your family, friends, coworkers and neighbors from other denominations and faith traditions to participate in this series. Sign up to bring a dish for supper.
