To Everyone An Answer Study – Sunday, January 10 at 5:30pm Freedom of Religion and the Church’s Response to Persecution from the Society

The First Amendment to the U.S. Constitution declares that “Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof” – Does this civil right actually exist? Where does it come from? What if it is undermined or taken away? How should the church prepare for and respond to the loss of religious freedom and persecution from society?

Pastor Peter Bender will lead a Bible study on this topic followed by a panel discussion with Professor Jason Lane of Concordia University Wisconsin, and Pastor Emeritus, Rev. Dr. Wolf Dietrich Knappe, who grew up during the rise and fall of Nazi Germany.

The presentation will follow a chili and soup supper, served at 5:30pm. Sign up today to bring a dish. Childcare is available. All is offered at no cost.
