Please encourage your friends and neighbors to come and join us on the 29th. There will be no school on Monday, January 30.

Academy Choir – sings for both services this Sunday. All choristers should be present and ready to sing at **7:15am**. Thank you!

A Piano Recital - featuring many of our academy students will be held immediately following the Academy Open House on Sunday, January 29, at 3:30pm. All are invited.

Kindergarten Korner – Our second week together is finishing up and it feels to me like we are beginning to get into a routine and are getting closer to hitting our stride. This week in K/4K we learned about primary and secondary colors and painted rainbows using only three colors! K is working hard on math facts, 4K is enjoying having their own math class, and 3K is busy as ever working on shapes, number recognition, and phonograms. We look forward to learning about Abigail and Carl next week as we continue our Child of the Week!

I Don't Feel Well! Have you heard this lately? This is the season for viruses. Please keep your child home if they have a fever, stomach ache, diarrhea, or a severe cold. If you need us to administer some prescription or non-prescription medicine please fill out the appropriate form. Several of these forms are attached for your convenience.

Bee Specific!! Our Bee season is upon us! The National Geographic Bee will be Friday, January 27, 2017, at 2:00pm in Loehe Hall. Come and cheer the students on! The National Geographic Bee is open to all fourth through eighth graders.
