Kindergarten Korner - We have had a busy week! In 4K/K, we have learned more about gravity by painting with it, we’ve been busy with counting pennies and dimes, learning about tally marks, using rulers, and working on simple addition and subtraction. In 3K, we have learned about clouds and how they’re formed, and also have been busy counting pennies and matching amounts of objects to the matching number. We look forward to the Open House on Sunday and our day off on Monday! There is no Child of the Week next week because of the short week.
