Kindergarten Korner –I would like to thank all of the Kindergarten and Preschool parents for your nonstop patience, understanding and support these past five months. I have enjoyed teaching immensely, although I am looking forward to getting things at home back to normal! Being entrusted with your children was such a humbling experience and watching them learn and grow was so very exciting. I wish you all God’s richest blessings this summer, and look forward to being “just” a parent with you again next school year!
