Routine, Routine, Routine . . . During this last quarter at the Academy it is very important to continue at home the routine you have been following all school year. This becomes especially important as the weather gets warmer. Children are able to relax and thrive when they know what to expect in their daily schedule. While there are always exceptions, please try to keep your child’s routines predictable.

A Spot Of Tea (said with a very British accent!) – The Jane Austen Tea is held annually for seventh and eighth grade girls all girls who have graduated from the Academy. These ladies have read at least two novels by Jane Austen usually *Sense and Sensibility*, *Persuasion*, or *Pride and Prejudice*. Ladies are treated to a formal afternoon tea followed by a movie version of the book that was read that year. I am still looking for a few helping hands for this year’s Jane Austen Tea. If you are willing and able please let me know.

Preschool & Kindergarten Korner! – Looking forward to Benjamin Anderson as our next Child of the Week! Fathers, please let us know if any of you are willing to drive on our Capitol Field Trip (Tuesday, May 29th) and/or if you have any questions about end of the year plans.
