## ART NOTES:

What's Going on in Art?

- Kindergartners are applying mono-printing to creating design on the \_\_\_\_\_s they are creating for the Academy Spring Concert.
- First graders continue work on their Kente cloth. The end is in sight. As they complete their projects, they can work independently on some "early finisher art activities."
- Third and fourth graders are diving into diorama construction.
- Fifth, sixth and seventh graders are working on collage. Their inspiration is Henri Matisse and Caribbean song.

Reminder - be sure to check out the new artwork created by third-seventh graders in the Academy upper grade hallway. You will be amazed at what our student artists have accomplished!

## FROM THE CLASSICAL COMMUNITY:

Rev. John Hill, Pres.  
Wyoming District LCMS  
*A Call for Patrons of  
Lutheran Schools*

*Continued from last week...*

And what kind of school should you support? Look for and demand an education that enables, informs, and inspires these goals: Lutheran doctrine and practice in our churches. Lutheran worship and hymns in household, church, and school. Marriage and children as the pinnacle of Christian vocation. Vigorously Christian households rooted in God's Word. The wisdom and virtues of the classical education tradition grounded firmly in Scriptures and the Lutheran Confessions. And look for faithful pastors and teachers with sound governance and discipline.

It is the great importance of the generational chain of Christians that moves us to this patronage. "For one real Christian is better and can do more good than all the men on earth: (Martin Luther, 1524, AE 45: 350). Passing the Christian faith and life to the next generation is of highest importance to us. It informs our priorities, our labors, our sacrifices, and our generosity. And we have the Apostle Paul's command to Pastor Timothy for those of us who have incomes, estates, or money in the bank (I Timothy 6: 17-19):

"As for the rich in this present age, charge them not to be haughty, nor to set their hopes on the uncertainty of riches, but on God, who richly provides us with everything to enjoy. They are to do good, to be rich in good

works, to be generous and ready to share, thus storing up treasure for themselves as a good foundation for the future, so that they may take hold of that which is truly life."

May God move you to bear this good fruit for His glory and for the future of His Church.theran Church- Missouri Synod.

## LAST WEEK OF SCHOOL SCHEDULE:

The schedule for the last week of school has changed...again.

Because of limited tour times at the state capitol (due to covid) and the price of gas we will not be going to Madison for our end-of-year field trip. Instead, we will be going to the Milwaukee Public Museum. However, the museum is not open on Tuesdays, which was the originally scheduled date of the field trip. So...our schedule for the last week looks like this:

### Mon., May 30:

Memorial Day-NO SCHOOL

### Tue., May 31:

Hymn sing, convocation rehearsal, service day

### Wed., June 1:

End-of-year field trip to the Milwaukee Public Museum

### Thu., June 2:

12:00 dismissal  
6:00 Open House  
7:00 Honor Convocation

### Fri., June 3:

Catechetical Olympics; Academy Picnic and Yearbook Signing; LAST DAY OF SCHOOL  
More details will be announced as we near the end of May. As always, if you have any questions or would like more clarification, please speak to your child's teacher or to Mrs. Ferguson.
