PARENT/TEACHER CONFERENCES:

The third quarter ends on March 18. There will be parent/teacher conferences on Mon. and Tue., March 28 and 29. We will use Signup Genius to schedule the conferences. We are making a small change this quarter. We will schedule all earlier conferences on Mon. and later conferences on Tue. Be on the lookout for an email with all the information for scheduling your conferences online. As always, if conflicts make it difficult to schedule conferences within the organized time frame, please speak to your child's teachers, and they will be more than willing to schedule your conferences at a more convenient time. If you have any questions, please don't hesitate to contact Laura Ferguson.

THE TOURNAMENT IS COMMENCING!

The Tournament of letters commenced on Tuesday, March 1! Encourage your child to read for pleasure a little bit every day and record that time. At the end of the month, turn in your logs for prizes and recognition! Complete information and additional logs are available on the QuickSchools Parent Portal.

CHOIR NOTES:

I am looking for a little help to "dress up" our spring concert when we will be singing songs from around the world. I am not looking to have everyone dress up in costume but just a few individuals who might be interested if they have appropriate garb on hand or would like to assemble some special looks to complement our concert theme. Please let me know if you have any of these items or would like to help create some fun. Here are some ideas.

Cherub: Duck costume

Cherub: Baker costume with hat

Academy: Korean (eastern) garb

Cherub size: Mouse costume

Props: Top hat, large stuffed cat, cow, dog, plastic pie

Fruit topped hat (think Carmen Miranda!)

Any size: Jamaican style outfit

Does anyone have a plastic papaya fruit?

ART NOTES:

What's Going on in Art?

- The Kindergarteners' skyscrapers have risen quickly. This week the windows went in. Look for them soon outside the kindergarten classroom.
- The First Graders have created patterns using color as they're weaving Kente cloth. Now they're drawing repeated designs to create pattern also - just like the Ghanaians who weave Kente cloth!
- Third and Fourth Graders are using simple paper sculpture to add interest to their multi-media winter scenes.
- Fifth, Sixth and Seventh Graders should complete their watercolors of wintry landscapes this week. They are justifiably proud of their work and have gained confidence in their abilities.

ATTN: Amended Performance Times

Allison Hermanson, a seventh grader, will be performing in the cast of *The Crying Princess and the Golden Goose* for two performances: Saturday, March 5, 2:00 pm and Wednesday, March 16 at 7:00 pm. Admission is free and the performances will be at Longfellow Middle School's Lois Weber Theater, 7600 West North Avenue.

If you are able, please support Ally by attending one of these performances, and have her autograph your program!

**Masks are required for all individuals ages 3 and up while inside all district buildings.*

A Call for Patrons of Lutheran Schools

Continued from last week...

For her part, the Church must carry out the ministry given to her with all zeal and godliness. Her pastors are to teach God's pure Word faithfully and constantly, to administer the sacraments according to Christ's command, and to carry out the duties of their office. Both pastors and people are to confess the truth, pray unceasingly, give of themselves generously, love and serve each other, forgive one another, and do good to all, especially those of the household of faith. The people must support their pastors and congregations with their gifts and service and prayers. All must reorder their lives toward these most important things.

And the Lutheran school- elementary, high school, college, seminary- must teach God's pure Word, fulfilling God's command to both household and church. The Lutheran school is to be a nursery of Christian virtue, a garden for the cultivation of faith and love and all good works, a gymnasium for the exercise of piety and discipline, a homestead for inheriting and passing on the wisdom and knowledge received by past generations under God's Word.
